MANSHI GUPTA

Frontend Developer (React.js)

React.js | HTML5 | CSS3 | JavaScript (ES6+)

Noida, India | linkedin.com/in/manshi-gupta-74bb541ba | manshibhu14@gmail.com | +91 6393012720

PROFESSIONAL SUMMARY

Frontend Developer with 2.4 years of experience building responsive web applications using React.js, JavaScript, HTML5, and CSS3 at Mitrayu Tech. Skilled in developing reusable UI components, managing state with Redux Toolkit, and integrating REST APIs. HackerRank-certified in React, with a strong understanding of user-friendly UI design gained through frontend development and a background in graphic and print design. Currently pursuing an MCA (2025–2027).

TECHNICAL SKILLS

Frameworks & Libraries: React.js, Redux Toolkit, Context API, Next.js, Tailwind CSS, Bootstrap
Languages: JavaScript (ES6+), TypeScript, HTML5, CSS3, JSON, SQL (Basic)
Tools & Platforms: REST APIs, Axios, Fetch API, Git, GitHub, npm, Postman, VS Code, Chrome DevTools
Core Competencies: Responsive Design, Reusable Components, Search & Filtering, Sorting, Cart Management, API Integration, Debouncing, Throttling, Data Structures & Algorithms, SPA Development

WORK EXPERIENCE

Frontend Developer – React ** ***Mitrayu Tech Pvt Ltd \ June 2024 – Present*

- **Vuori (Apr 2025 – Present):** Building responsive product listing, cart, search & filtering, and pagination components for this US-based e-commerce apparel brand, as part of a 9-member cross-functional Agile team (3 frontend, 3 backend developers, 1 DBA, 1 project manager, 1 tech lead)
- **Gymshark (Jun 2024 – Mar 2025):** Delivered UI for this e-commerce platform — built product listing, search/filter and pagination features, integrated REST APIs, and resolved UI and functional bugs pre-release
- Built a reusable component library (product cards, cart items, filter panels) reused across 4-5 page types, cutting new-feature build time by roughly 20%
- Integrate REST APIs and manage UI state across features; partner with backend engineers to resolve data/state issues before release
- Translate Figma/design mockups into pixel-accurate, cross-browser UI, drawing on a design background for detail accuracy

Designing Assistant ***\ Prits Leather Art (P) Ltd. \ November 2022-December 2023***

- Produced print-ready marketing, packaging and garment-label artwork in CorelDRAW and Photoshop, coordinating with production teams on specs and deadlines

Fashion Designer cum-Merchandising ***\ Rishu Design \ July 2022- November 2022***

- Created brand visuals and digital design assets for clients, managing design-to-delivery workflow and client communication

EDUCATION

Master of Computer Applications (MCA) - Pursuing ***2025 -2027***
Mangalayatan University

Bachelor of Arts (B.A.) ***2016-2019***
Sanjay Memorial Women's College, MGKV Varanasi

High School (10th) & Intermediate (12th, Science) ***2014-2016***
UP Board, Varanasi

KEY STRENGTHS

- Design-to-code translation with a strong eye for pixel-accurate UI
- Self-driven career switcher — design to production React dev in under a year; upskilling via in-progress MCA and HackerRank React certification

LANGUAGES

Hindi (Native) | English (Professional Working Proficiency)

CERTIFICATIONS

- HackerRank Certified Frontend Developer (React) — Role-based certification test, passed 12 Sep 2026 (Certificate ID: ED3B5F46CBA6)
- Diploma in Computer Publishing — Vista Word Institute of Computer Education, Varanasi (Sep 2018 - May 2019)
